Dear Lucy McKilligan,

Your name has been passed on to me by Ian Stevenson, the former Secretary of Bridgewater Eco Party. I understand you would like information about the Party.

The Somerset Branch meets in Taunton (not very convenient for you), and we are currently planning to put up a candidate in the General Election.

If you are a student, membership is £3 (cheque should be made out to Somerset Ecology Party). If you decide to join, please send the enclosed form to me.

I enclose some of our literature.

Hoping you decide to join us.
