

The Movement for Survival (MS)

1. Aim

We need a Movement for Survival, whose aim would be to influence governments, and in particular that of Britain, into taking those measures most likely to lead to the stabilisation and hence the survival of our society.

2. Structure

We envisage it as a coalition of organisations concerned with environmental issues, each of which would remain autonomous but which saw the best way of achieving its aims was within the general framework of the *Blueprint for Survival*.

The organisations have already expressed general support for the *Blueprint*:

The Conservation Society
Friends of the Earth
The Henry Doubleday Research Association
The Soil Association
Survival International

Two representatives of each member organisation would join the Action Committee of the MS, which would elect a chairman and secretary to run the day-to-day business of the Movement.

3. Individual membership

Members of constituent organisations would automatically become members of the MS. Individuals who belonged to none of these bodies could join the MS only through one of these organisations.

Regular news of MS activities would be published in *The Ecologist*, a subscription to which would be available to MS members at the reduced price of £3 p.a. (25 per cent reduction). Representatives of the constituent organisations could become members of *The Ecologist's* editorial board.

4. Further information

Organisations wishing to join the MS and all others seeking further information should write to the Acting Secretary, The Movement for Survival, c/o *The Ecologist*, Kew Green, Richmond, Surrey.
