

HARVEST FOR THE HUNGRY

A HARVEST FESTIVAL, PLANTING AND
GREEN GATHERING

U.S.A.F. MOLESWORTH, NR. HUNTINGDON

SATURDAY AUGUST 25TH

ONWARDS

STOP CRUISE MISSILES AT MOLESWORTH

After Greenham Common, Molesworth is scheduled to be the next Cruise base. It might be too late to stop deployment at Greenham. It is not too late to stop them at Molesworth. The Dutch have postponed their decision on Cruise deployment for two years; both here and abroad opinion is moving our way.

The Green Collective, Molesworth Peace Camp and the Wheat to the Starving Campaign have got together to organise a large gathering on the base, starting over the August Bank Holiday weekend. The perimeter fence is going up next February; at the moment the base is open and largely disused, so come now while Molesworth is still green!

WHEAT TO THE STARVING

While NATO governments spend billions on nuclear weapons, millions will starve to death through lack of food and water. Harvest for the Hungry will focus on this obscenity by sending wheat grown at Molesworth to help the starving in Eritrea, North Africa. During the Gathering we shall be ploughing land for winter wheat and vegetables. Bring tractors, ploughs, spades, seeds etc.

A GREEN GATHERING

In the absence of a Glastonbury Green Gathering, the Green Collective is calling on greens everywhere to make this their main gathering point of the year. Listen to folk and rock bands, watch theatre and mime, join in discussion groups, pick up information from displays and stalls and eat at wholefood stalls. Let's use this gathering as a focal point to help bring together the fast-growing green movement.

As in other gatherings, the emphasis is on participation, on what you can contribute. Come as self-sufficient as you can, bring tents, loo paper, sleeping bags etc. Don't forget water. We cannot guarantee supplies. Please stay as long as you can, help with the harvest and support the peace camp.

Details of other activities planned at Molesworth for the summer, briefing papers for the Gathering, leaflets, posters and a map are available in return for a 9" x 6" SAE.

The Gathering will be free. It will also take a lot of money to put on. Can you help? Please send whatever you can afford (perhaps what you would have spent on a ticket) to Harvest for the Hungry, Box 272, Peace News, 8 Elm Avenue, Nottingham 3.
