

HARVEST FOR THE HUNGRY

A HARVEST FESTIVAL , PLANTING AND
GREEN GATHERING

U.S.A.F. MOLESWORTH , NR. HUNTINGDON
SATURDAY AUGUST 25TH ONWARDS

HARVEST FOR THE HUNGRY

This project has been initiated by the Green Collective, Molesworth Wheat to the Starving Campaign and the People's Peace Camp at Molesworth. We are inviting thousands to attend a large gathering on the open, largely disused base, beginning on Saturday August 25th. USAF Molesworth is the planned home for 64 American controlled Cruise missiles. The Gathering has been called at this time because construction work, including a perimeter fence, is scheduled to start early next year.

Wheat to the Starving

During the Gathering we shall be harvesting wheat that was sown on the base over Easter. It's destined to help feed refugees in Eritrea (Ethiopia). We shall also be ploughing for winter wheat and planting other vegetables. We want to contrast this with the obscenity of spending billions of pounds on nuclear weapons whilst globally, one person in eight will starve to death.

All Faiths Celebration

On Sunday September 2nd we shall be dedicating a new peace chapel, "Eirene" (Greek for Peace), on the base. Please join us in this celebration, no matter what beliefs you hold. Together, we can focus our energies on transforming the purpose of USAF Molesworth from destruction to creation, from death to life.

A Green Gathering

In the absence of a Glastonbury Green Gathering, the Green Collective is calling on greens everywhere to make this their main gathering point of the year. We're planning workshops, entertainments and other green gathering attractions. Let us show that the issues of nuclear weapons and Third World hunger cannot be separated.

The main onus of this gathering is **you**. There are over a thousand acres of unfenced land for us to camp on. Bring what you expect to find and consider carefully what your group's contribution could be. In particular please bring your own water supplies.

Details of other activities planned at Molesworth for the summer, briefing papers for the Gathering, leaflets, posters and a map are available in return for a 9" x 6" stamped addressed envelope.

This Gathering will be free. It will also need a considerable amount of money to put on. Can you help? Please send whatever you can afford (perhaps what you would have spent on an advance ticket!) to HARVEST FOR THE HUNGRY, Box 272, Peace News, 8 Elm Avenue, Nottingham 3.
