SEPTEMBER 1974

Editor: K. Michael Benfield NEW BUILDINGS TRINITY ST COVENTRY Telephone 22048

#### EDITORIAL:

This extended issue of the news letter is being sent to a wider audience:-

- a) To all those news men and women with whom we had contact over the last General Election. Just to show you we're still alive, ready and willing. Thanks to those of you who have given us coverage in the past. We hope you might find something of interest in these columns.
- b) To all organisations who are closely concerned with one or other aspect of our environment or survival. We would appreciate your letting your members know what we're up to. In return we will be very pleased to offer you space in these columns. We are very interested in what you are doing.

Have you noticed how in one form or another so many other organisations are jumping onto the theme we used at the last General Election. Remember "The Battle of Britain" leaflets? Unfortunately so many of these imitators want to STOP things. They cry out for more policing, more military capability, more restraint on unions and/or business. How pitifull that they are so concerned with maintaining their particular status quo that they become aberrant, their thoughts confused, their intentions only to STOP things and their actions in consequence destructive.

Surely the true Battle of Britain is a battle for creation. The fight to change outmoded habits and ideas, the struggle to overcome the forces of destruction and build a new society with new drive and new values.

Our emphasis is on starting the change NOT STOPPING.

N.B. Re-prints of the "Battle of Britain" leaflet are available from me (editor) Price £5.00 per 1000. (Copy enclosed)

# 3) CANDIDATES FOR NEXT ELECTION. So far announced:

Elizabeth Davenport, The Nook, Littleworth, Worcester, standing for Birmingham Northfield.

When you announce your prospective parliamentary candidate don't forget to let the "Times" know. They carry a daily list.

If you want any information or help on how to set about fielding your own candidate write or ring Tony Whittaker TODAY.

<sup>4)</sup> PUBLIC CONCERN : What is it that worries John Citizen? Here are a few

of the main items. Inflation, Food prices, Housing, Dreadfull Waste, Large Companies, The Common Market, The Failure of other Politicians, Resistance to packaging, Resistance to mass media, Sceptiscism of reliability of media information, Regionalism - (London must not dominate). In short he has become confused and uncertain and is made more so everyday. Use this fact to spread PEOPLE and recruit members.

- 5) WHAT DOES PEOPLE OFFER? Individuality. A logical attack on waste, bigness and cost of living. A realistic (if unpalatable) view of Britains future. Encouragement, Consistency through long term appraisal and planning as opposed to present 3 5 year parliament planning. In short the removal of confusion and creation of certainty.
- 6) POINTS OF VIEW, Questions and other items of interest for inclusion in this newsletter should be sent to me the Editor.
- 7) <u>SPEAKERS</u> If you are organising meetings on your own or in conjunction with other societies and you would like speakers from N.E.C. or other specialists contact Clive Lord. If you are or have available people who are willing to speak on any topic please let Clive know.
- 8) WHAT NEWS HAVE YOU? Everyone in PEOPLE wants to know whats going on around the country. Tell me what you've been up to or have in prospect for publishing in the next news letter. Copy date 21st of the month.

10) CHANGE OF ADDRESS? If you have moved/are moving or know any other PEOPLE who have or will be please let me know NOW. It's vital we keep in touch.

11) WHAT CAN YOU DO? Ask other people to help you including other organisations in your area. Find one person in each street who will hold meetings, (Coffee mornings, drinks, parties etc.) on a regular basis. Ask personalities and journalists for their opinions and advice - you'll find they'll get involved.

12) HELP REQUIRED. Can you type? Write? Phone? Enthuse? Drive? Walk? Lick envelopes? Talk? Organise? Recruit? or have you just got time on your hands? Whatever your capabilities we need them. At the moment the N.E.C. requires 4 Key people as National Co-ordinators. Regional and local counterparts are also needed. If you feel that your capacity is underused or if you know of anyone who does e.g. Pensioners, Housewives, Community workers, Volunteer groups, Students etc, etc, then send names and addresses now to me (Editor)
