

**so many heads in the sand . . .**

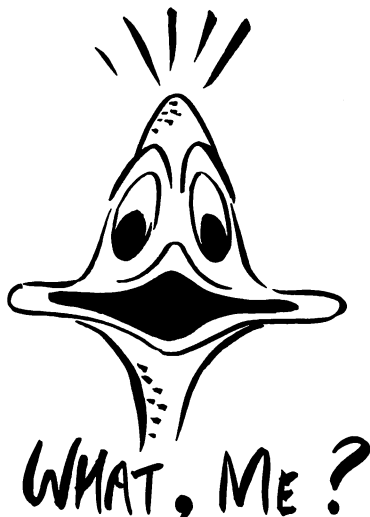

**. . . except for a few of us**

**TS needs two things . . .**

**. . . we need donations**

**we need more subscribers . . .**

**. . . in fact, we need**

Yes, **YOU** . . . .

Only you can help. We have no large funds behind us. We can only succeed with your help.

If you think *Towards Survival* is worth supporting then please think what **YOU** can do. Can **YOU** send us a donation to help us through the very difficult period before we achieve a viable circulation in our new printed format? Can **YOU** enrol one (or two or three) new subscribers **EACH** month until April 1974? (Our month of reckoning!)

We do our best here. Let's see what you can do.

Otherwise, **WE** might just have to bury our heads in the sand too, along with Ted and Harold, Peter and Anthony, and almost everybody else.

Do your best—and have an enjoyable Christmas!
