SUMMER ACTIVITIES EXTRA

FESTIVAL OF MIND, BODY AND SPIRIT

Many thanks to all those who have volunteered their services and to the member who has very generously donated over £300 to pay for our stall! However, we still need a few more people who can fill some morning or evening sessions. There will be a meeting for all those who've offered to help on:

MONDAY 9th JUNE at 7.45p.m. in the CLUB ROOM of CONJAY HALL,
Red Lion Square (nearest tube:
Holborn)

REGIONAL CONFERENCE

Nick Alexander has already said something of this Conference. We shall need a great deal of help if the day is to be a success, e.g.: typing and preparing documents for the day, sending out Conference mailings, people to act as stewards on the day, to sell Literature and a 1001 other things. If you can help in any way, please complete the form at the bottom of of the sheet and return it to Jean as soon as possible.

REPORT ON THE TRANSPORT OF NUCLEAR FUEL THROUGH LONDON

The North London Branch working party has now finished the mammoth task of preparing this report: we now need to publish it as soon as possible, but we are short of cash. Two members have already offered to put up some of the money, but we still need at least £300. If you are willing to donate something (however small or large) towards printing this impressive report please send your contribution to Jean Lambert (cheques payable to London Region Ecology Party)

Please return to: Jean Lambert, Howard Rd. London E17.
