An appeal for your help.

We need money for printing, publicity, research, administration—all the costs of building up an effective nationwide network.

This is not a job that can be done at leisure. At the moment there is more to do than there is time to do it in. And more than we can afford.

The best way you can help is by joining the party. But whether or not you feel ready to join, you can help us by sending a donation, however small, to the address below:
